PROFILE SUMMARY

Detail-oriented and results-driven professional with cross-functional experience in security operations, software quality assurance, and academic support. Proven ability to enforce safety protocols, conduct incident reporting, and enhance facility-wide security measures. Skilled in manual and automated software testing, bug tracking, and test plan development, with a strong foundation in SDLC, STLC, and programming fundamentals. Experienced in coordinating academic and administrative activities, delivering technical training, and supporting curriculum enhancement. Adept at using tools like JIRA, Confluence, and SAS, and committed to improving operational efficiency, compliance, and user satisfaction.

WORK EXPERIENCE

Security Guard Officer - Allied Universal Security Service, NY **July 2024 - Present**

- Conducted hourly patrols across a 50,000+ sq. ft. facility, significantly reducing security breaches by 30% over a 6-month period.
- Responded to over 100 emergency and high-risk situations, ensuring swift containment and zero escalation incidents.
- Reported and escalated client-related concerns to authorities with 98% accuracy, enhancing resident satisfaction and trust.
- Maintained detailed log entries for 300+ incidents, supporting transparent communication with operations and legal compliance.
- Collaborated with management on new safety protocols, leading to a 20% improvement in response time during simulated drills.
- Facilitated smooth coordination between on-ground security teams and higher authorities, improving decision-making efficiency by 25%.

Software Test Engineer - Expleo GmbH, Berlin **Jan 2021 - Oct 2022**

- Executed 500+ manual and automated test cases, resulting in a 40% reduction in critical software defects.
- Collaborated with cross-functional development teams, resolving an average of 30+ bugs per sprint and improving release quality.
- Developed detailed test plans and QA documentation for 5 major projects, accelerating onboarding time for new testers by 35%.
- Led usability testing initiatives across 3 enterprise-level applications, improving end-user experience scores by 20%.
- Streamlined defect tracking using JIRA and Confluence, enhancing bug resolution workflow efficiency by 50%.
- Ensured 100% compliance with ISO/IEC 25010 software quality standards through rigorous validation and verification processes.

WORK EXPERIENCE

Teaching Assistant - Daffodil International University, Dhaka **Jan 2013 - Sep 2014**

- Delivered over 100 hours of instruction on C Programming, SDLC, STLC, and Networking to 150+ undergraduate students.
- Improved student test scores by 25% through hands-on tutorials, mock assessments, and personalized feedback sessions.
- Assisted in designing curriculum content for core programming courses, increasing student engagement by 30%.
- Managed faculty-level academic activities and logistics, reducing administrative delays by 40%.
- Mentored 50+ students on software development practices and project submissions, contributing to a 90% course completion rate.
- Coordinated events and seminars for the CSE faculty, increasing academic participation and visibility within the university.

EDUCATION

Master of Science, Computer Science and Media **July 2020**

Bauhaus University Weimar, Germany

Bachelor of Science, Computer Science and Engineering **May 2014**

Daffodil International University, Bangladesh

SKILLS

- Programming & Query Languages: SQL, Python (Pandas, NumPy)
- Data Visualization Tools: Tableau, Power BI, Google Data Studio
- Databases: MySQL, PostgreSQL, MS SQL Server, Oracle SQL
- Spreadsheets: Microsoft Excel (Pivot Tables, VLOOKUP, Data Cleaning, Charts)
- Statistics & Analysis: Hypothesis Testing, Regression Analysis, Forecasting
- Other Tools: Jupyter Notebook, Git/GitHub, Jira
- Strong Problem-Solving, Communication, and Collaboration Skills
- Driving license

CERTIFICATIONS

- Oracle Database SQL Certified Associate
- The ISTQB Certified Tester Foundation Level (CTFL)
- AWS Cloud Practitioner (CLF-C02)

LANGUAGES

- English: Professionally Fluent
- Bengali: Native
- German: Communicative
